About Us

The *Leicester Gazette* is a local, independent newspaper, free to access for all online and soon in print.

We cover both Leicester and Leicestershire, making us the largest independent newspaper in the east Midlands by area.

While primarily funded by memberships and grants, we offer **newsletter sponsorships** to local and ethical businesses to help promote their work. Our rates are affordable and great for anyone looking to connect with a local, highly engaged audience.

Our flagship newsletter, **Inside Leicester**, goes out to readers every Monday. It includes a news round-up, an events section, food and drink reviews, and much more. There are three spaces for sponsorship ads: **a dedicated section, a top banner, and a bottom banner**. All sponsors receive a **free 'meet the sponsor' social media post** across all our platforms.

Newsletters have exploded in popularity recently, and we are proud to be a newsletter-first publisher.

If you have any questions about our newsletter sponsorship, you can email us at info@leicester.news.
